

Update from the Riverside Allotments Group:

We are organizing beds on the Riverside Allotments. Below is a Layout Chart

Photographs include Both The Apiary Location where the bees who will pollinate flowers, vegies and Fruits will live and examples of Two No Dig Beds in Progress

Beds 22, 23 and Beds 1,2,3 and 10,11,12 are already spoken for. The rest of the beds are first come first served.

Three tonnes of Alpacapoo arrive very shortly.

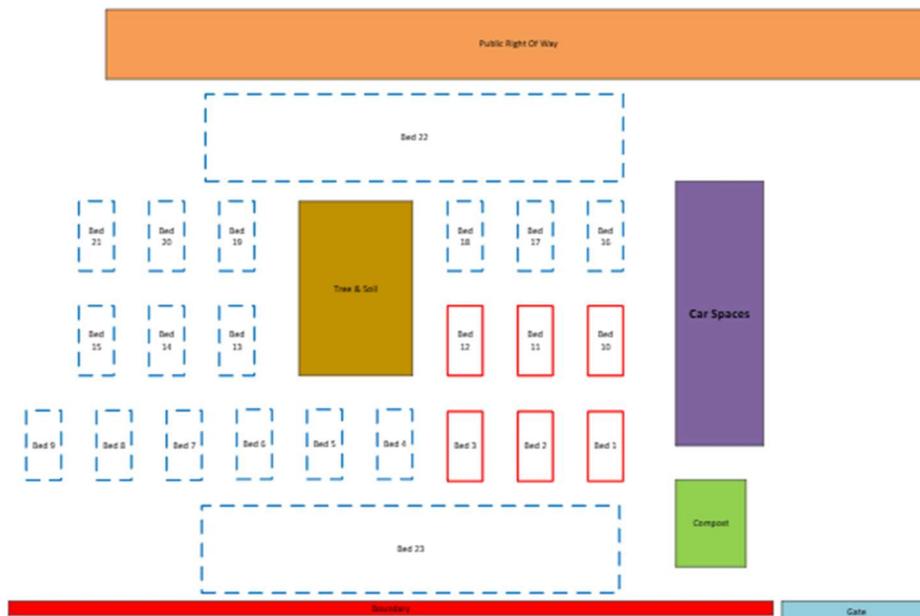

Lots of extra space available in Phase 2, so accepting applications now.

No Parking on Lavenham Studios car park please. Please observe 5 mph limit while crossing Lavenham Studios premises to the Allotments gate.
